

Which tech tools are available during the summer for students?

 <p>Clever Clever Badge log in</p>	<p>Our online portal to other apps – Clever – will be available until August 7 and then will be inaccessible through the rest of August as students are migrated to new classrooms. Links to apps that students access through Clever will not be available after August 7.</p>
 <p>SEESAW</p>	<p>Student access to Seesaw will be available until August 7. Once the class is archived, families can access student folders through the Seesaw Family App. Families, if you are not yet connected to Seesaw please contact me.</p>
 <p>ZEARN Math</p>	<p>Zearn will be available until August 7. The learning objectives for Modules 5 and 6 are most important for 2nd graders. Going back to review those lessons, as well as completing Module 8 which we didn't get to, would be great practice this summer. Students should not go on to work in 3rd grade lessons.</p>
 <p>LEXIA CORE5 READING</p>	<p>Lexia will be available all summer. Your child will continue to be connected to this year's class until the start of next school year.</p>

	<p>PebbleGo should be available all summer. https://site.pebblego.com/ Username: isd411 Password: school</p>
	<p>BrainPop Jr. should be available all summer. https://jr.brainpop.com/ Username: isd411 Password: otters</p>
